

Special Message from the Cannon Beach Library Board of Directors

The Cannon Beach Library Board of Directors held an emergency meeting on the morning of March 16th, 2020. The Board voted unanimously to close the library until April 1st, 2020, at which time we will reevaluate the safety and timing of opening. This decision was not made lightly. We are taking the necessary precautions for the safety of our patrons, our volunteers, and our staff. Please stay safe and healthy and do your part to "flatten the curve."

We are asking that patrons do **not return** checked-out library books at this time; no fines will be assessed.

Please take advantage of our ebook services at this time. You will find a link on our website, www.cannonbeachlibrary.org. On the bottom of the page under "suggested links" click on **library to go**. Or, download the **Overdrive app**. Your patron number is your log in and also your password. If you do not have an account with us please feel free to use our ebook services free of charge. The log in is 2688, password 2688 or log in 2689, password 2689. We ask that you check out just one book at a time so others may utilize this service as well.

Sincerely,
Cannon Beach Library Board of Directors
